## Experience

### The Buccaneer Cafe

2021-Present

In a dynamic cafe setting, I showcased my proficiency in crafting high-end coffee and lattes, delivering an exceptional experience to customers. My responsibilities extended beyond the barista role, encompassing the professional handling of cash and point-of-sale (POS) transactions with a keen understanding of financial procedures. My adept verbal communication skills facilitated seamless interactions with both guests and fellow team members. Excelling in multitasking, I committed an extensive menu and inventory status to memory, enabling efficient service. Thriving under high-pressure conditions and in fast-paced environments, I navigated challenges with ease. I garnered consistent positive feedback online from satisfied guests, a testament to my dedication to exceptional service. Furthermore, I played a pivotal role in team dynamics, successfully communicating and collaborating with other team members, while also taking on the responsibility of training junior employees.

## Education

### Oceanside High School

2018-2022

AP student, AVID student, Girard Prep student, Art Club Vice President 4.2 GPA

### University of California, San Diego
